

Vision

IPAC Victoria is a community of professionals recognized for advancing excellence and innovation in public administration.

Mission

To promote the study and practice of public administration, facilitate the building and sharing of knowledge, and celebrate innovation and excellence

Goal 1:

Recognition of excellence and innovation in public administration

Goal 2:

Integrated community of public administration professionals who share knowledge, experiences, and practices to produce better public policy outcomes

Goal 3:

Public sector leadership and lifelong learning

Strategic Priority 1:

Promote and recognize public service excellence and innovation

Strategic Priority 2:

Facilitate connections and opportunities to share knowledge, experiences, and practices

Strategic Priority 3:

Be a trusted and respected voice in the public administration field

Strategic Priority 4:

Promote and showcase public administration as a field of choice

Strategic Priority 5:

Facilitate connections and opportunities for professional development

Strategic Priority 6:

Sustain IPAC Victoria as a regional group through membership, sponsorship and financial responsibility
